Yvonne heads up the program for providing peanut butter, jam, and bread to Mabel Rush students

Support for Newberg Students

Did you know?

That FISH not only provides food relief for families that come to the parking lot and call in to place their orders, but also makes available food to children who need it to tide them over the weekend.

Currently, we provide that service to three schools: Edwards, Ewing Young and Mabel Rush schools.

The Mabel Rush bags are prepared at the United Methodist Church and delivered to the school next door. Needy students receive two loaves of bread, a jar of peanut butter, and a jar of jelly or jam.

Where have all the groceries gone long time passing? Gone to children at their schools, no hunger lasting.
